What is Preschool Peer Interaction Opportunity?

The peer interaction opportunity provides many opportunities for general education students, as well as, students with special needs. Students learn to relate to people with different needs and develop an increased understanding of individual differences.

Peers model typical academic and social behavior in educational environments throughout the school and provide support to students to promote independence and socialization. Peers, in return, gain increased skills in organization, responsibility, problem solving, decision making and accountability.

How Can My Preschooler Get Involved?

Students 3 to 5 years old, who reside in the Lenawee Intermediate School District boundaries may complete the attached interest form and return to:

Pat Mueller, LISD Preschool Teacher
10109 Slee Rd., Onsted, MI 49265
or by email to
Pat.Mueller@lisd.us

Interest forms are taken on a first come, first serve basis. Space is limited to five slots per session.
