Steve Head, Superintendent

Onsted Community School Board Announces the Hiring of Superintendent Royce

The Onsted Community School Board is pleased to announce that we have reached successful contract negotiations with Mr. Jonathan Royce to become the next Superintendent of Onsted Community Schools. Our district has a solid foundation to serve our students and community due to the excellent work of Mr. Steve Head who is retiring at the end of June 2024 as well as past and present school boards and administrators. We look forward to Mr. Royce's leadership to execute our vision to inspire, challenge and prepare every student, every day across academics, arts and athletics. We thank the community for their participation and feedback in the process and for the clear passion demonstrated for our students and our district.

Mr. Royce has served as principal of Charlotte high school since 2021, served as principal of ACCC Alternative campus in Ypsilanti from 2016-2021, has experience in Ypsilanti and Lincoln Consolidated School Districts as an assistant principal as well as teaching experience in the Ann Arbor Public Schools and Old Redford Academy. Mr. Royce plans to complete his Ed. Specialist degree from Western Michigan University in 2024, has a Masters in K12 Administration from Eastern Michigan University and a Bachelors from the University of Michigan Ann Arbor where he was a varsity track athlete.

Mr. Royce grew up in Stockbridge and Chelsea, MI and looks forward to the small town community in Onsted where he can build a loving school culture that builds a sense of community and shared values to serve our students and school community. In addition to his experience in education, Mr. Royce has also authored a children's book and heads a non-profit Tutorfit456 that provides a unique method of reading support for super active 4th, 5th, and 6th grade students that boosts their confidence and helps them reach their full potential.

We welcome Mr. Royce to Onsted for an official July 1, 2024 start date which will prepare him to lead our district into the upcoming 2024-2025 school year. Go Cats!
