

REGISTRATION INFORMATION

Thank you for choosing Onsted Community Schools for your child's education!

Onsted Community Schools continue to transform the way we educate our students. Here, you will find a focus of educating students for today's economy and for career paths that will continue to grow in importance for our community and throughout the State of Michigan.

To register, parents will need the following:

- Child's birth certificate
- Immunization record
- Parent photo ID
- Two proofs of residency (bill displaying address).

[Online registration is now available for new students.](#)

Onsted Community Residents

We are excited to be able to offer an online registration process for new students for the 2023-24 school year. This is to allow parents/guardians to register their student(s) from the comfort and safety of their own home. [Please click here to register!](#)

School of Choice

Onsted Community Schools is pleased to offer School of Choice openings for non-resident students who live outside of the Onsted Community School district. **School of Choice applications will be accepted through Friday, Sep 1, 2023.**

If you need assistance, please contact the respective buildings below.
